Dear Parent/Guardian,

As part of our unit on *Of Mice and Men*, I would like to show clips from the 1992 film version starring John Malkovich and Gary Sinise. The film is rated PG-13, and district policy requires a signed permission slip when films rated over PG are shown. Film clips are shown to provide students with a visual of what they have read, and to help increase comprehension of the novel. If you do not want your student to watch the film, an alternate assignment will be given. Please return this slip, signed, by Tuesday, December 6th.

_____ My child has permission to watch clips from *Of Mice and Men*.
